June 19th through July 25th
NO SCHOOL ON JULY 3rd and 4th
Registration Starts on April 18th

NICOLET HIGH SCHOOL

SUMMER SCHOOL 2017

Director	Nasif Rogers nasif.rogers@nicolet.us 414-351-7524
Registration	Chris Macon chris.macon@nicolet.us 414-351-7561
Attendance	Sandy Couch sandy.couch@nicolet.us 414-351-7532

THE PURPOSE OF THE PROGRAM

Nicolet High School offers a summer school program to assist student achievement in high school. The program is organized to allow students several opportunities over the summer which:

- Allow students to take courses and participate in activities for which they may not have time during the regular school year.
- Allow students to gain elective credits
- Credit Recovery in Math and English

COURSE DATES AND TIMES

Summer School starts on Monday, June 19th and ends Tuesday, July 25th. Unless otherwise noted, credited Summer School classes run **Monday through Friday with the exception of Monday July 3rd and Tuesday July 4th**. Classes will meet for 3 hours each day. Please refer to the **CLASS SCHEDULE** for details about the dates and times of all credited classes.

REGISTRATION INFORMATION

1. *Registration begins on Tuesday April 18th. Registration will need to be done online. You can find the registration link and instruction under the Academics tab on the school website.* Courses may be dropped due to lack of enrollment or may be closed due to full enrollment, therefore, you are encouraged to register early.
2. **The priority for class registration will be as follows:**
 1. Nicolet seniors and other current students,
 2. incoming freshmen of Nicolet High School,
 3. district residents not attending Nicolet High School.

SPECIAL NOTE: If you registered online, and are not a priority, you may be dropped from the class.

3. There will be only one section of each course offered, unless otherwise noted. After courses are filled to capacity, there will be a waiting list developed for students who are not on the original class roster.

SUMMER SCHOOL FEES

There will be no registration fee charged for summer school, but individual classes may charge for the cost of a workbook or class materials which become the property of the student.

ATTENDANCE & TARDINESS

Since regular course work is being compressed into a smaller period of time, it is crucial that students maintain a good attendance record. Tardiness to Summer School will not be tolerated. A student may be dismissed from Summer School because of tardiness. Students are marked tardy if they arrive late to class by **fewer than 10 minutes**. No more than **5 tardies** will be allowed in Summer School. If a student is more than 10 minutes late for a class, it will be counted as an absence. **A student who has 3 absences may be dropped from summer school. These decisions are made final by the Summer School Director.**

If a student is dropped from a class due to poor attendance, a failure will be recorded on the transcript and the failure will be calculated in the student's grade point average. If a student misses the first two days of a class, that student will be dropped from the class; no record of the student's enrollment will be included on his/her transcript. Once the summer session has begun, a student may not drop a course so as to enroll in another course.

ABSENCES

When a student is absent, a parent must call the attendance hotline at 351-8282 on the day of the absence. There is a 24-hour answering machine. Parents may also reach the High School Office at 351-7531.

SUMMER SCHOOL RULES

Normal school rules will apply to Summer School. All school rules are outlined in the 2016-2017 Nicolet Student Handbook, which is available on the school website.

COURSE OFFERINGS

Nicolet High School is prepared to offer the courses listed. However, any class can and will be cancelled due to low enrollment. At least 15 students must be enrolled in a course for it to run. Every attempt will be made to provide all courses and sections as proposed in this brochure. Out of necessity, the Summer School schedule may change at a later date.

SPECIAL EDUCATION

Special education services will not be offered during summer school unless the student applies through the student services department for an extended school year.

CREDIT

Grades earned in Summer School classes are factored into the overall grade point average and will appear on high school transcripts. **Failing grades will be calculated into a student's GPA.**

Mail registration forms to: Summer School
Nicolet High School
6701 North Jean Nicolet Road
Glendale, WI 53217

If you have any questions about Summer School, please contact **Nasif Rogers (414) 351-7524** or **Sandy Couch (414) 351-7532**.

SUMMER SCHOOL COURSE DESCRIPTIONS (Alphabetical Listing)

COMPUTER TECHNOLOGY:

Information Technology Essentials .5 credits

Fulfills Computer Graduation Requirement

All students are required to take this course. Grade: 9, 10, 11, 12

Meeting Time: 7:15 AM - 10:15 & 10:20 AM - 1:20 PM

Capacity: 20 students

Units of study include research skills, ethics, e-mail, online learning, word processing, spreadsheets multimedia presentations, database development, basic web design and graphics. Students will also learn to manage their file on Nicolet's network using multiple platforms and to use peripherals and digital resources beneficial for success in all their classes. Course activities simulate real-world applications using information resources and technology skills. **This course may not be used to satisfy any other graduation requirement, such as the career education requirement.**

ENGLISH:

English .5 credits

Grade: 10, 11, 12

Meeting Time: 10:20 AM - 1:20 PM

Capacity: 20 students

Note: This course is designed for credit recovery.

Credit recovery is set for grades: 9,10, and first semester of 11. Senior students in need of recovery credits must contract this as an independent study with the teacher.

If a student has failed, this class will count as one semester only.

The course curriculum will include composition, literature, drama, poetry, and speech.

English 9 Prep and Study Skills: .5 credits

Elective

Grade: 9

Meeting Time: 7:15 AM - 10:15 AM

Capacity: 16 students

The course curriculum will include composition, literature and study skills necessary for students to be successful in English 9. Students will work on closing reading and writing gaps in preparation for high school English. Students will be placed by teacher recommendation. Focus will also include cognitive and affective reading skills and strategies.

MATH:

Algebra & Geometry .5 credits

Grade: 10, 11, 12

Meeting Time: 7:15 AM – 10:15 AM

Note: This course is designed for credit recovery.

This course will be taught via a blended learning approach that will allow individualization for each student. Only those competencies that the student failed will need to be mastered, and once mastered the student need not complete the rest of the course. This .5 credit of regular-level algebra or geometry will replace a failing grade in first or second semester.

Algebra Prep and Study Skills: .5 credits

Elective

Grade: 9

Meeting Time: 10:20 AM - 1:20 PM

Capacity: 16 students

The course curriculum will include computation, graphing, number sense and study skills necessary for students to be successful in Algebra. Students will work on closing gaps in mathematical skills and problem solving in preparation for high school Algebra. Students will be placed by teacher recommendation

PHYSICAL EDUCATION:

Personal Fitness .5 credits

Grade: 10, 11, 12

Meeting Time: 7:15 AM - 10:15 AM

Capacity: 25 students

A class to improve cardiovascular fitness, strength and flexibility through a variety of individual and group activities. Some of the required activities will include: Daily fitness **walking/running**, **swimming** and aquatic games, **cycling** (helmet and a working bicycle are required), fitness center (**spinning**, **weight training**, other cardio activities), **in-line skating** (use of Nicolet safety equipment), various **racket sports** (use of Nicolet equipment)) and various **team sports**. Must be knowledgeable of bike & street safety. We will be swimming 2-3 time per week. Students will need to progress through **EVERY** unit of study—there are **NO** alternative activities.
