NICOLET HIGH SCHOOL
FOUNDATION
ENRICHING OPPORTUNITIES

Dear Friends of the Foundation:

Thank you so much to those of you who helped with our annual appeal. We are pleased to announce that through your generous donations, we raised nearly \$15,000 for Nicolet High School. These are funds that are used to enrich the learning experience for Nicolet students by supporting grants to teachers, staff and students. It's not too late for you to help by either mailing a donation to the Foundation at Nicolet, or donating online at <http://www.nicolet.us/families/foundation.cfm>

Our annual appeal is just one way the Foundation raises funds. Our signature event, the "Knight on the Town," will take place again in the fall. This is a "must-attend" social for neighbors, parents, staff and supporters of Nicolet. It is a chance to have fun with other parents, bid on great auction items, enjoy student entertainment and learn how the Foundation enhances the academic experience at Nicolet.

A "Save the Date" will be coming your way soon. We hope you will join us.

We will also be launching the Nicolet Foundation Tribute Program this spring. Through this program, you can honor a teacher, staff member or student, commemorate a special occasion or perpetuate the memory of a loved one. Tribute cards, which will be available for a donation at the

office or online beginning in March, include a special note that tells the recipient that a gift to the Foundation has been made in their name.

The Gift Brick Program is a more permanent way to pay tribute to a graduate, special mentor, friend or even a graduating class. Personalized bricks are installed in the *Circle of Friends* in front of the school and range in cost from \$60-\$1,000 depending on the size. More information can be found on the Foundation page of the Nicolet website, <http://www.nicolet.us/families/foundation.cfm>.

Thanks to the Class of '75 for their recent and generous support of the Foundation through the purchase of a brick. Soon you will find this in the *Circle of Friends* from the Class of 1975:

*Nicolet has enriched us.
We hope that this donation
Will enhance the lives of
Current and future students.*

Lastly, if you are interested in attending one of our board meetings or getting involved with the "Knight on the Town" planning, please let me know at: sfalk@falkgrouppr.com. We meet the first Wednesday of the month at 7:30 a.m. at Nicolet.

Thank you for your support.

Sincerely,

Susie Falk
President
