History and Philosophy

- Students and their family(ies) have the primary responsibility to pay for college.

Points to Remember:

October 1, 2017.
- Check with the colleges where you plan to apply for deadlines and institutional requirements
- Link to the IRS data Retrieval Tool

- Dependency Status
- Who is considered a parent?

WHO'S MY PARENT WHEN I FILL OUT MY FAFSA®?

Dependent students are required to report parent information on the *Free Application for Federal Student Aid (FAFSA)*.¹ For reporting purposes, "PARENT" means your legal (biological or adoptive) parent or stepparent, or a person that the state has determined to be your legal parent.

Use this guide to figure out which parent's information to include (depending on your family situation).

The following people are not your parents unless they have legally adopted you:

Widowed Stepparent

Grandparents

Foster Parents

Legal Guardians

Older Brothers or Sisters

Aunts or Uncles

If you're not sure whom to report as a parent, you can visit StudentAid.ed.gov/afsa/filling-out/parent-info or call 800-4-FED-AID (800-433-3243).

¹ If you're not sure whether you are a dependent student, go to StudentAid.gov/afsa/filling-out/dependency
