

NICOLET HIGH SCHOOL SUMMER SCHOOL 2018

Session 1: June 12 - 29

Session 2: July 9 - 26

NICOLET HIGH School Summer School 2018

THE PURPOSE OF THE PROGRAM

Nicolet High School offers a summer school program to expand educational opportunities for students. The program is organized to allow students to:

- Take courses for which they may not have time during the regular school year.
- Gain elective credits
- Recover credits from previous school years

Summer School DATES AND TIMES

There are two sessions for the 2018 summer school program. Not all courses are offered during both sessions. Please refer to the schedule below for specific dates and times.

REGISTRATION INFORMATION

1. All registration for summer school will be done online. Registration begins on **Monday April 9, 2018**. Courses may be dropped due to lack of enrollment or may be closed due to full enrollment; therefore, you are encouraged to register early.
2. Non-resident applications, other than present students and incoming 9th graders, will not be accepted.
3. To register:
 1. Go to the Nicolet High School Website (<http://www.nicolet.k12.wi.us>)
 2. Find and select the "Academics" tab
 3. Click on "Summer School Information (2018)"
 4. Follow registration directions
4. The priority for class registration will be as follows:
 1. Nicolet seniors and other current students,
 2. incoming freshmen of Nicolet High School,
 3. district residents not attending Nicolet High School
5. There will be only one section of each course offered, unless otherwise noted. After courses are filled to capacity there will be a waiting list developed for students who are not on the original class roster.

Summer School FEES

There will be no registration fee charged for summer school, but individual classes may charge for the cost of a workbook or class materials which become the property of the student.

ATTENDANCE & TARDINESS

Since regular course work is being compressed into a smaller period of time, it is crucial that students maintain a good attendance record. Tardiness to summer school will not be tolerated. A student may be dismissed from summer school because of tardiness. Students are marked tardy if they arrive late to class by **fewer than 10 minutes**. No more than **5 tardies** will be allowed in summer school. **Students are permitted 2 absences. Any student who has three absences will be dropped from summer school.**

If a student misses the first day of a class without prior approval, that student will be dropped from the class; no record of the student's enrollment will be included on his/her transcript. Once the summer session has begun, a student may not drop a course so as to enroll in another course.

ABSENCES

When a student is absent, a parent must call the attendance hotline at 351-8282 on the day of the absence. Voicemail is available 24-hours a day. Parents may also reach the High school Office at 351-7531.

Summer School Rules

Normal school rules will apply to summer school. All school rules are outlined in the 2017-18 Nicolet Student Handbook, which is available on the school website.

COURSE OFFERINGS

Nicolet High School is prepared to offer the courses listed. However, any class can and will be cancelled due to low enrollment. At least 15 students must be enrolled in a course for it to run. Every attempt will be made to provide all courses and sections as proposed in this brochure. Out of necessity, the summer school schedule may change at a later date.

SPECIAL EDUCATION

Special education services will not be offered during summer school unless the student applies through the student services department for an extended school year.

CREDIT

Grades earned in summer school classes are factored into the overall grade point average and will appear on high school transcripts.

If you have any questions about summer school, please contact Alison Worm, administrative assistant to Mr. Coyle at (414) 351-7523 or alison.worm@nicolet.us.

Summer School		
Session 1	06/12-06/29 (14 Days)	Credit

SUMMER SCHOOL COURSE DESCRIPTIONS

(Alphabetical Listing)

NOTE: Grade level indicated for classes is based on grade level for the 2018-2019 school year.

COMPUTER TECHNOLOGY

IT Essentials SS

.5 credits

Fulfills Computer Graduation Requirement

All students are required to take this course.

Grade: 9, 10, 11, 12

Session: 1, 2

Meeting Time: 7:30 AM – 12:00 PM

Capacity: 24 students

Units of study include research skills, ethics, e-mail, online learning, word processing, spreadsheets multimedia presentations, database development, basic web design and graphics. Students will also learn to manage their file on Nicolet's network using multiple platforms and to use peripherals and digital resources beneficial for success in all their classes. Course activities simulate real-world applications using information resources and technology skills. **This course may not be used to satisfy any other graduation requirement, such as the career education requirement.**

ENGLISH

English 9 Prep and Study Skills SS

.25 credits

Elective

Grade: 9

Session: 2

Meeting Time: 9:50 AM – 12:00 PM

Capacity: 15 students

The course curriculum will include composition, literature and study skills necessary for students to be successful in English 9. Students will work on closing reading and writing gaps in preparation for high school English. Students will be placed by teacher recommendation. Focus will also include cognitive and affective reading skills and strategies.

English 9 SS

.5 credits

Grade: 10, 11, 12

Session: 1, 2

Meeting Time: 7:30 AM – 12:00 PM

Capacity: 20 students total for English 9,10,11 SS

Note: This course is designed for credit recovery.

Credit recovery is for students in grades 9, 10, and 11 that need to recover a credit from the previous school year. Individual credit recovery plans will be developed for each student. The course curriculum will include composition, literature, drama, poetry, and speech.

English 10 SS**.5 credits****Grade: 10, 11, 12****Session: 1, 2****Meeting Time: 7:30 AM – 12:00 PM****Capacity: 20 students total for English 9,10,11 SS****Note: This course is designed for credit recovery.**

Credit recovery is for students in grades 9, 10, and 11 that need to recover a credit from the previous school year. Individual credit recovery plans will be developed for each student. The course curriculum will include composition, literature, drama, poetry, and speech.

English 11 SS**.5 credits****Grade: 10, 11, 12****Session: 1, 2****Meeting Time: 7:30 AM – 12:00 PM****Capacity: 20 students total for English 9,10,11 SS****Note: This course is designed for credit recovery.**
