

NICOLET HIGH SCHOOL SUMMER SCHOOL 2019

NICOLET HIGH School Summer School 2019

THE PURPOSE OF THE PROGRAM

Nicolet High School offers a summer school program to expand educational opportunities for students. The program is organized to allow students to:

- Take courses for which they may not have time during the regular school year.
- Recover credits from previous school years (if a student failed a course during a previous year).

DATES AND TIMES

Credit Recovery

There are two sessions for the credit recovery summer school program. Please refer to the schedule below for specific dates and times.

Enrichment Courses

There is one session for enrichment courses for the 2019 summer school program. Please refer to the schedule below for specific dates and times.

REGISTRATION INFORMATION

1. All registration for summer school will be done online. Registration begins on **Monday April 15, 2019**. Courses may be cancelled due to low enrollment or may be closed due to full enrollment; therefore, you are encouraged to register early.
2. Non-resident applications, other than current students, will not be accepted.
3. To register:
 1. Go to the Nicolet High School Website (<http://www.nicolet.k12.wi.us>)
 2. Find and select the "Academics" tab
 3. Click on "Summer School Information (2019)"
 4. Follow registration directions
4. The priority for class registration will be as follows:
 1. Nicolet seniors and other current students,
 2. incoming freshmen of Nicolet High School,
 3. district residents not attending Nicolet High School.
5. There will be only one section of each course offered, unless otherwise noted. After courses are filled to capacity, there will be a waiting list developed for students who are not on the original class roster.

SUMMER SCHOOL FEES

There will be no registration or course fees charged for summer school.

ATTENDANCE & TARDINESS

Since regular course work is being compressed into a smaller period of time, it is crucial that students maintain a good attendance record. No more than **5 tardies** will be allowed in summer school. **Students are permitted 2 absences. Any student who has three absences will be dropped from summer school.**

If a student misses the first two days of a class, that student will be dropped from the class; no record of the student's enrollment will be included on his/her transcript. Once the summer session has begun, a student may not drop a course so as to enroll in another course.

ABSENCES

When a student is absent, a parent must call the attendance hotline at 414-351-8282 on the day of the absence. Voicemail is available 24-hours a day. Parents may also reach the High school Office at 351-7531.

SUMMER SCHOOL RULES

Normal school rules will apply to summer school. All school rules are outlined in the 2018-19 Nicolet Student Handbook, which is available on the school website and in the High School Office.

COURSE OFFERINGS

Nicolet High School is prepared to offer the courses listed. However, any class can and will be cancelled due to low enrollment. At least 15 students must be enrolled in a course for it to run. Every attempt will be made to provide all courses and sections as proposed in this brochure. Out of necessity, the summer school schedule may change at a later date.

SPECIAL EDUCATION

Special education services will not be offered during summer school.

CREDIT

Grades earned in summer school classes are factored into the overall grade point average and will appear on high school transcripts. **Failing grades will be calculated into a student's GPA.**

CONTACT US

If you have any questions about summer school, please contact David Coyle, Summer School Administrator, at 414-351-7533 or david.coyle@nicolet.us.

Course Information

SUMMER SCHOOL COURSE DESCRIPTIONS

BUSINESS

IT Essentials

.5 credits

Fulfills Computer Graduation Requirement

Grade: 10, 11, 12

Dates: June 18-July 19

Time: Online Format (See description for details)

Capacity: 24 students

This course is reserved for students entering grades 10, 11, or 12. This course will be taught using Odysseyware, an online curriculum management system. Students are required to meet with the instructor for an orientation, and they will be required to check in with the instructor twice per week at Nicolet until all course requirements are complete (School closed July 4 & 5). Once a student completes the required coursework, they will be issued credit and will be dismissed from summer school. Units of study include research skills, ethics, e-mail, online learning, word processing, spreadsheets multimedia presentations, database development, basic web design and graphics. Course activities simulate real-world applications using information resources and technology skills. **This course may not be used to satisfy any other graduation requirement, such as the career education requirement.**

ENGLISH

English Credit Recovery

.5 credits

Grade: 10, 11, 12

Dates: June 18-July 3 or July 8-July 26

Time: 8:00am-11:30am

Capacity: 20 students

English credit recovery is for students that will be in in grades 10, 11 and 12 that need to recover a credit from a previous school year. Individual credit recovery plans will be developed for each student. The course curriculum will include composition, literature, drama, poetry, and speech.

English 9 Prep and Study Skills

.25 credits

Grade: Incoming 9th grade students

Dates: July 8-July 26

Time: 8:00am-9:50am

Capacity: 15 students

The course curriculum will include composition, literature and study skills necessary for students to be successful in English 9. Students will work on closing reading and writing gaps in preparation for high school English. Students will be placed by teacher recommendation. Focus will also include cognitive and affective reading skills and strategies.

MATH

Algebra & Geometry Credit Recovery

.5 credits

Grade: 10, 11, 12

Dates: June 18-July 3 or July 8-July 26

Time: 8:00am-11:30am

Capacity: 20 students

This course will be taught via a computer program that will allow individualization for each student. Only those competencies that the student failed will need to be mastered, and once mastered the student need not complete the rest of the course. This .5 credit of regular-level algebra or geometry will recover a failing grade in first or second semester. The grade for the course will be PASS or FAIL not a letter grade.

Students may be required to complete work outside of the class in order to complete the course.

Algebra Prep and Study Skills

.25 credits

Elective

Grade: 9

Dates: July 8-July 26

Meeting Time: 10:10am-12:00pm

Capacity: 15 students

The course curriculum will include computation, graphing, number sense and study skills necessary for students to be successful in Algebra. Students will work on closing gaps in mathematical skills and problem solving in preparation for high school Algebra. Students will be placed by teacher recommendation

WELLNESS

Personal Fitness

.5 credits

Grade: 10, 11, 12

Dates: June 18-July 19 (no class on July 4 and 5)

Time: 8:00am-11:30am

Capacity: 24 students

This course is designed to improve cardiovascular fitness, strength and flexibility through a variety of individual and group activities. Some of the activities will include: Daily fitness walking/running, swimming and aquatic games, cycling (helmet and a working bicycle are required), fitness center (spinning, weight training, other cardio activities), in-line skating (use of Nicolet safety equipment), various racket sports (use of Nicolet equipment) and various team sports. Must be knowledgeable of bike & street safety. We will be biking and swimming 2-3 time per week. There are NO alternative activities.

SOCIAL STUDIES

Global History: Credit Recovery

Grade: 10, 11, 12

Dates: June 18-July 3 or July 8-July 26

Time: 8:00am – 11:30am

Capacity: 12 students

This course is for Nicolet students that have previously taken Global History and did not receive credit for the course. Students will be required to show proficiency in the Global History standards that were not previously met.

American History Credit Recovery

Grade: 11, 12

Dates: June 18-July 3 or July 8-July 26

Time: 8:00am – 11:30am

Capacity: 12 students

This course is designed for Nicolet students that have previously taken United States History and did not receive credit for the course. Students will be required to show proficiency in the United States History standards that were not previously met.
