

NICOLET BOOSTER CLUB

Nicolet Booster Club is a parent group with over 250 members that is dedicated to supporting over 750 student athletes in 25 sports programs at Nicolet High School. Membership fees, as well as other booster club fundraising efforts, allow the Club to contribute directly to our teams for needs not covered in the athletics budget. We support both small and large projects. Whether the result is our remodeled weight room, new warm ups, equipment, training materials, awards, educational clinics, new scoreboards, spirit buses or funding a feasibility study to upgrade our athletic facilities... our teams and programs WIN! We also proudly support our outstanding student/athletes by annually awarding college scholarships and by sponsoring the Senior Award night and Athletic Hall of Fame Awards.

Booster Club Team Reps serve as a liaison between the teams and the club and assist coaches in meeting team obligations to the Booster Club, such as organizing parents and athletes to work at Booster Club Fundraisers and organizing foursomes and auction items for the golf outing. Reps attend and/or volunteer at Booster Club fundraising events such as Driven to Give, Drive For UR School, and the golf outing.

Annual membership fees of \$50 per family includes FREE admission for your immediate family to all regular season Nicolet home sporting events. Conference playoff games and tournaments are excluded. Fees can be paid at the time of school registration or via Skyward at any time.

You can stay up-to-date about Booster Club activities by logging on to our [Facebook page](#) and [Twitter feed](#). Please “Like” us on Facebook and “Follow” us on Twitter.

It's a GREAT day to be a KNIGHT!
