

Multi Ethnic Parent Association

. . . of Nicolet High School is an advocacy group purposed to create and support academic achievement and social development in an evolving, culturally intelligent learning environment. MEPA works with staff, students, parents, the board and other partners to support the academic, social and cultural needs of the school's multi-ethnic population and programming.

MEPA's mission statement:

- Promote academic success for all students
- Advocate for equal access to a college ready curriculum for all students
- Increase parental engagement, involvement and awareness of the Nicolet System to ensure success for the diverse student population
- Award and honor seniors from the diverse population with scholarships

MEPA is a membership association and annual dues are collected, which can be paid with your child's registration or directly to the school. Dues are used to support activities such as:

- The annual Senior Scholarship and Awards Program,
- Advocacy activities and events for students and families and
- Culture specific activities

Our monthly meeting supports creativity via four areas of concentrations which are:

1. **Academic Success** – work closely with the Administration to look at ways to improve the academic experience for student constituents,
2. **Parental Engagement/Fundraising** – identify and engage Nicolet families and other partners in securing resources to support our scholarships, programs and events,
3. **Advocacy** – partner with administration and staff to address concerns impacting our students around academic performance, the achievement gap, discipline, acceptance, etc.,
4. **Scholarship** – prepare application, promote to seniors, select recipients, and plan the May Scholarship Awards event.

MEPA meets monthly, which are typically held on the fourth Wednesday of each month, at 6:30 p.m. in Room B-113 in the Nicolet cafeteria unless noted otherwise.
