

Dear Parents and Guardians,

Welcome to Nicolet High School! We are excited to have your child as an incoming student at Nicolet High School and you as partners in his/her educational experience. There are four (4) formal stages to prepare your child for the start of ninth grade. The first stage is completing the new student online enrollment which takes place **Wednesday, November 14th through Friday, December 21st**. Families should complete the **New Student Enrollment: Application Form** for incoming freshmen. This online enrollment process is explained below.

Step 2: Family/Guardian Information

Step 3: Medical/Dental Information

Step 4: Emergency Contact Information

Step 5: Requested Documents

- Immunization Documents
- Residency Verification

NOTE: Chapter 220 students do not have to verify residency. Students currently enrolled in one of our partner schools through Open Enrollment may submit an application online, but it will not be considered until your acceptance into Nicolet through Open Enrollment is confirmed.

ALL incoming students are required to provide documentation to demonstrate residency in the district regardless of whether the family has other students currently enrolled at Nicolet. To be considered a resident, you must live in one of the following communities: Bayside, Fox Point, Glendale, or River Hills. **Two documents are required, one from List A and one from List B.**

List A: Property tax bill or receipt, closing statement or CURRENT lease. Lease must include a name and phone number for the landlord.

List B: Current utility bill, most recent auto or health insurance statement, or county/state/federal benefit statement. Others may be approved by the district in extenuating circumstances.

Required documents can be scanned and uploaded directly to Skyward Family Access, dropped off at the district office at Nicolet, OR mailed to:

Step 6: Additional District Forms

- Special Education Student Information

2. After entering required information for each step, click on the orange “Complete Step # and move to Step #” icon at the bottom of each step. If you wish to save what you have entered and return to the application at another time, click on the orange “Complete Step # Only” icon. Completed sections will have an indicator on the right of the screen similar to this example:

 **Date Completed: 10/30/2018**

3. After reviewing/completing all six (6) steps of the enrollment application, click on the orange “Submit Application to the District” icon. A CONFIRM pop up screen will appear for you to confirm and submit your application to Nicolet Union High School District. **IMPORTANT:** Once you click the orange “Submit Application” icon, changes cannot be made. However, you will be able to continue to log in with your temporary login information to view your application.
4. If you have more than one child who will be attending Nicolet High School for the first time, you may click the “Click to Enroll Additional Students” icon from the New Student Enrollment Applications: Summary Page, to complete an application for any additional children.

Applications will only be approved if all required fields have been completed and required documentation has been received WITHIN TWO WEEKS OF SUBMISSION OF THE ENROLLMENT APPLICATION. FAILURE TO DO SO WILL RESULT IN DENIAL OF THE APPLICATION. TO ENROLL, A NEW APPLICATION WILL NEED TO BE SUBMITTED.

Once your completed application has been received and reviewed, you will receive an email indicating your application has been approved or denied. The application review process can take approximately two weeks.

If your child’s application is denied, the email will indicate the reason for denial.
