At the top, there is a blue header with the text 'family connection' and a navigation bar with buttons for 'home', 'colleges', 'careers', 'about me', and 'my planner'. Below the navigation bar, the page is divided into several sections. On the left, there are 'pages' and 'links' sections. Welcome

Dear Parents and Student,

We are pleased to introduce Family Connection from Naviance, a web-based service designed especially for students and parents. Family Connection is a comprehensive website you can use to help make decisions about courses, colleges, and careers. Family Connection will allow you to:

- Research colleges - Compare GPA, standardized test scores, and other statistics to actual historical data from our school for students who have applied and been admitted in the past
- Get involved in the planning and advising process - Build a resume, complete on-line surveys, and manage timelines and deadlines for making decisions about colleges and careers
- Sign up for college visits - Find out which colleges are visiting our school and sign up to attend those sessions

Family Connection also lets us share information with you about up-coming meetings and events, local scholarship opportunities, and other web resources for college and career information. You can also use the site to send us an e-mail message.

We hope you will find this resource helpful. If you have questions about Family Connection, please contact us.
