#KnightsHelpingKnights

**WE'RE HERE TO HELP**

Nicolet engaged in an extensive study of the school to determine what students need to be successful and how the school can best meet those needs. We're working to build a system of support that does exactly that.

## Nicolet Support Staff

Nicolet support staff, which includes licensed teachers and paraprofessionals, are available before, during, and after school to provide on-demand, temporary, or extended support.

## Peer Tutors

Nicolet has a variety of peer tutors that can be available before, during, and after school to provide on-demand, temporary, or extended support for other students.

## Peer Mentors

Nicolet's peer mentors will provide event specific mentorship and can be available for on-demand, temporary, or extended mentorship if a student should need that support.

## Writing Center

Nicolet's Writing Center, operated by Mrs. Mueller and her trained writing mentors, are available to provide writing specific support either on-demand or by appointment.

## Supplemental Instruction

Nicolet support staff and teachers will work together to organize and provide supplemental teaching for demanding content and assignments during resource period and after school.

## Freshman Transition

Grade Point Average (GPA) is the best indicator of success in college, and 9th grade performance and skill building are crucial to ensure our students are set up for academic and social-emotional health.

- Junior Knights
- Freshman Orientation
- Freshman Advisory
- Freshman Study Hall
- Freshman Team

Nicolet Student Support will be active on the web and social media starting in August!
#KnightsHelpingKnights

**STARTING STRONG**
Part of that study referenced on the opposite side of this flyer revealed that there are huge benefits to supporting students’ transition to high school. Nicolet is committed toward this end by offering comprehensive transition programming.

**JUNIOR KNIGHTS**
Junior Knights is a day-long experience that serves as an initial introduction to Nicolet for 8th grade students from our partner districts and schools. The event is intended to showcase all that Nicolet has to offer and build students’ comfort level as they prepare to enter high school.

**FRESHMAN ORIENTATION**
Freshman will have access to a day-long orientation the week prior to the start of school and it will serve as a comprehensive introduction to Nicolet High School. Orientation builds on the experience offered during Junior Knights and allows students to preview their daily high school experience and all the details that come with it.

**FRESHMAN ADVISORY**
Freshman students will have an advisory led by two staff members, will meet every day at the beginning of the school year, and then periodically thereafter. Advisory will include programming that ensures students know how to take advantage of all the resources Nicolet has to offer, both academically and beyond.

**FRESHMAN STUDY HALL**
Freshman students enrolled in a study hall period will have a guided study hall with staff members focused on the skills and habits necessary for performing well academically. Although students can transition to the Library Media Center as they demonstrate independence, Freshman Study Hall will remain available to them for the entirety of the school year.

**FRESHMAN TEAM**
A team of Nicolet staff members will meet regularly to focus on the academic performance and well-being of Nicolet’s Freshman Students. This team includes members of the administrative team, student services team, student support team, and every content area team.
